

RECLAIMED PLANK

SOUTH FACE OAK

Wide Plank Flooring

South Face Oak flooring is the classic reclaimed oak floor featuring all that reclaimed oak barn board has to offer. This floor is graded to enhance the natural rich color variation, nail holes and sound checking throughout the grade. South Face Oak is known for its rich coloring and warmth making it the number one selling reclaimed floor at Bingham. All barn board products will have nail holes, color variation, and natural sound checking. The southern exposure of the barn receives the most harsh exposure and those boards have the best characteristics to offer our South Face Oak Flooring boards.

The South Face Oak custom flooring features reclaimed oak barnboard. Barnboard is found throughout a salvaged barn in mainly three areas; siding, loft boards, and interior partitions. Barnboard that was exposed to the natural heat and the elements has aged overtime creating not only unique coloring, but one of a kind textures. The oak barnboard is found from the finest materials our salvaged barns have to offer.

*Please note that wood is a natural product and because of this we recommend ordering samples of our products before making your flooring choice. We will send multiple pieces of each product to give a full representation of the grade and specie. Together, these pieces represent the grade, specie or product specified. Please do not reference an individual sample, piece of the sample or image as an accurate representation of the entire grade, specie or product. Please consult your sales representative with any questions or to request more samples.
