

RECLAIMED PLANK

VERTICAL GRAIN HEART PINE

Wide Plank Flooring

The many attributes to reclaimed Long Leaf Heart Pine have stood the test of time and make it one of the most popular reclaimed floors. The warm richness of color and durability of its heart wood is undeniably the most recognizable of these traits. The varying grades can give you an elegant to a rustic country floor. We have prefinished many reclaimed Heart Pine plank floors and the warmth of this heart wood always prevails in the rich patina achieved by multiple coats of tung oil.

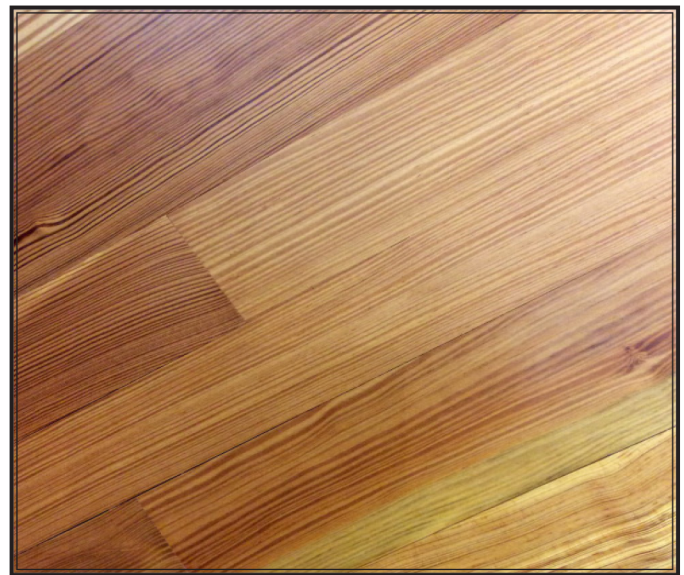

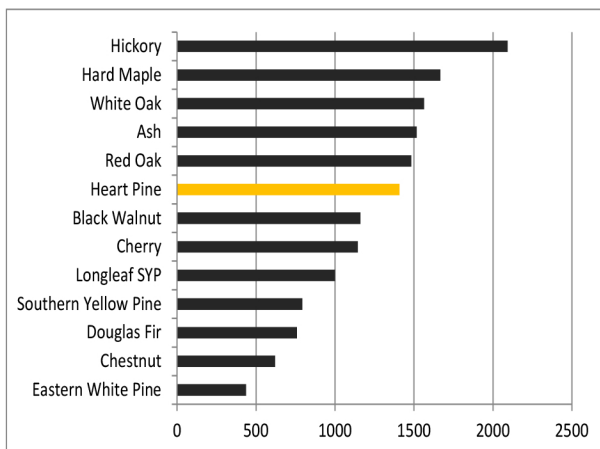

Reclaimed select vertical grain Heart Pine is an elegant flooring choice. Bingham's craftsmen rely on our 69 years of experience to quarter-saw the antique Heart Pine timbers. This highly sought after grade of flooring features tight vertical grain, maximum heart content, minimal nail holes and small tight knots. New construction, renovation, or building a reproduction; this flooring is found through historic homes, water front estates, brownstones, and countless homes in between.

*Please note that wood is a natural product and because of this we recommend ordering samples of our products before making your flooring choice. We will send multiple pieces of each product to give a full representation of the grade and specie. Together, these pieces represent the grade, specie or product specified. Please do not reference an individual sample, piece of the sample or image as an accurate representation of the entire grade, specie or product. Please consult your sales representative with any questions or to request more samples.
