Project Criteria

The We Build It Forward (WBIF) Community Outreach Program has expanded! Rather than completing projects on a single day each year, we will now accept applications for projects that can be completed between August and October in the communities surrounding our 10 Belletetes locations.

Applications must be submitted by July 31 to be considered for this year's program.

Project Requirements

To qualify, projects must:

- Benefit individuals or families in need within the communities served by Belletetes.
- Be suitable for completion in a single day.
- Have available volunteers, sponsors, & resources needed to support the project.
- Have a team leader and volunteers with the necessary skills willing to donate their time and talents.
